

RECYCLING SOAP AND SAVING LIVES

It's estimated 5 million bars of hotel soap are discarded everyday.

Soap Aid's new HOTEL TO HANDS Program is a sustainable and scalable model that brings positive change and helps save lives.

**Join our Program as a Soap Aid HOTEL CHAMPION
and help transform the world!**

HOTEL TO HANDS

YOUR CORPORATE SOCIAL RESPONSIBILITY

Soap Aid **HOTEL CHAMPIONS** play an important and vital role in:

Saving Lives

Your contribution helps us recycle soap and reach more communities and children throughout the world, growing our global reach. Handwashing with soap can reduce over 40% of diarrhoea cases and save lives.

Saving the Environment

By collecting your hotel's waste soap, you are saving millions of bars of soap from overflowing landfills. Your direct actions reduce landfill, carbon emission and the extraction and use of raw materials.

Driving the Change

Your status as a Soap Aid **HOTEL CHAMPION** creates a positive association with your brand, helps build trust amongst guests, and shows your commitment to CSR.

How to get involved?

For a small annual contribution of **\$7.50*** per room your hotel can have a life changing impact.

Every hotel room provides:

3 Children
